

OUR HEALTH & SAFETY STATEMENT OF INTENT

Intervention Services Limited recognise that it has a responsibility as an employer to ensure the Health, Safety and Welfare of all employees whilst at work. Additionally, it is the responsibility of all persons who work for Intervention Services Limited (Directors, Managers, and Employees etc.) to ensure this policy extends to all other persons who may be adversely affected by our undertakings. In this way, each and every individual within Intervention Services Limited has a vital and specific role in maintaining health and safety standards.

It is the responsibility of senior management within Intervention Services Limited to ensure that our Health and Safety policy is relevant to all applicable legislation and to any other requirements that Intervention Services Limited may subscribe.

Responsibility for the overall implementation, maintenance and development of our Health and Safety management system rests with the senior management of Intervention Services Limited, which includes the regular setting and reviewing of objectives, and the provision of adequate resource to allow those objectives to be achieved.

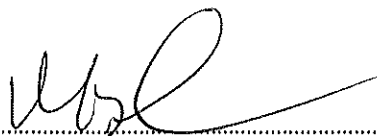

Intervention Services Limited will Assign Roles, responsibilities, and authorisation at all levels of Intervention Services Limited, with suitable arrangements for the implementation and management of the Health and Safety management system and to meet its commitments and achieve its objectives set out in this policy.

We as an organisation also recognise the need for the identification of hazards and the recording and reviewing of risk assessments, to further achieve a pro-active safety management system.

Intervention Services Limited is committed to the consultation and participation of workers, and worker representatives in the planning, implementation, measurement and improvement of the Health and Safety management system.

Management recognise the importance of its staff and encourage the reporting of any hazard or risk that may adversely affect the standard of our Health and Safety. We also recognise the importance of ensuring that staff are adequately trained, informed and supervised to fulfil their activities in a safe manner.

Intervention Services Limited is committed to a management system that demonstrates a pro-active approach through the continual improvement of our Health and Safety performance. The effectiveness of our Health and Safety policy and its implementation is subject to regular management review and all related objectives, processes and procedures are subject to an on-going audit schedule.
